

A Comprehensive Practitioner Training Program is beginning in March 2019

Ortho-Bionomy® is a principle based body work developed with the philosophies of Osteopathy, Martial arts and Homeopathy by Osteopath Dr. A. L. Paul's in 1970. It is a highly effective approach that offers recognition, comfort and change to the body, gently and naturally.

5 day modules in the beautiful Okanagan, 3 times a year for 2 years, will offer most of the classes and support needed to fulfill the requirements of the Ortho-Bionomy Association of Canada Practitioner Training Program.

Instructors Marie Long and Peggy Oud

The first three Modules are designed to cover the requirements needed for OBAC **Associated Membership** level

Module 1 March 18-22, 2019	Exploration Of Movement (16 units)	Phase 4 (16 units)	Self Care (8) Tutorials (3)
Module 2 June 3 - 7, 2019	Phase 4 (16 units)	Posture and Post tech (16)	Self Care (8 units) study group (3)
Module 3 Sept 23-27,2019	Phase 5 (16 units)	Tutorial/study group	Phase 6 (16 units)

2nd year class dates for 2020 will be announced in Sept 2019

Completing all 6 Modules, plus the additional list below, will fulfill **Practitioner level requirements**
